

2017 PATTERSON CELLARS SPARKLING ROSÉ OF PINOT NOIR

WINEMAKING NOTES

Pinot Noir grapes from a high elevation site in the Yakima Valley give our Sparkling Rose it's characteristic brilliant light melon color and classic aromas and flavors of tangerine, apricot and strawberry. The fine mousse of bubbles created using the traditional Champagne method carry the flavors forward into the finish, ending with hints of minerality, herbal tea and green apples. Perfectly paired with a stone fruit or citrus desert, this bubbly will also compliment any delicate seafood. Cheers!
